

Dan Belliveau, M.D.
Medical Director, TLC Halifax

at a glance

Dr. Dan Belliveau is the Medical Director for TLC Laser Eye Centers in Halifax, Nova Scotia. TLC Halifax provides laser vision correction for the Atlantic Provinces.

TRAINING: Dr. Belliveau obtained his Doctor of Medicine degree from the Université de Montréal in 1991. He then completed an Ophthalmology specialty at the Université de Sherbrooke in 1996. This is where Dr. Belliveau received his first training in refractive surgery. Dr. Belliveau has been extensively trained in both the LASIK and PRK Excimer laser techniques and has performed thousands of refractive laser procedures since 1997. Dr. Belliveau is a fellow of the Royal College of Physicians and Surgeons of Canada.

MEMBERSHIPS: Dr. Belliveau is in a comprehensive ophthalmology practice in Halifax performing mainly cataract and anterior segment surgery. He is also an assistant professor in the Department of Ophthalmology at Dalhousie University, having an active role teaching eye surgery in the residency training program.

TLC Laser Eye Centers At A Glance

TLC LIFETIME COMMITMENTSM PROGRAM: A LASIK procedure takes just 20 minutes, yet its benefits last for years to come. A full year of follow-up exams, complimentary surgical enhancements for two years if needed and TLC's Lifetime Commitment Program for qualified nearsighted patients are all included with your procedure.

REASSURANCE: Over 2,000 eye doctors have chosen TLC-affiliated surgeons for their own laser vision correction. It's the ultimate endorsement and it's also an honor.
