

# About Our Doctor

## Gregory A. Christiansen, M.D.

### Training

Gregory Christiansen, M.D., received his medical degree at the renowned Medical School at the University of Utah in 2000. Following an internship at the Mayo Clinic College of Medicine in Jacksonville, Florida, Dr. Christiansen went on to complete his ophthalmology residency training at the prestigious Mayo Clinic College of Medicine in Rochester, Minnesota. He received further training in anterior segment surgery (front of the eye) at Duke University, Durham, North Carolina, in 2005. He also completed specialized refractive surgery training, including certification on “all-laser” LASIK using bladeless technology.

### Experience

A board certified surgeon, Dr. Christiansen specializes in the medical and surgical treatment of the eye. After completing his advanced training, he spent two years practicing ophthalmology in Southern Oregon before joining the TLC Laser Eye Centers experienced group of refractive surgery specialists. Having performed more than a thousand microsurgical procedures, he specializes in LASIK, cataract and glaucoma surgery. Dr. Christiansen has been actively involved with research and has been published in several peer-reviewed journals.

### Memberships

Dr. Christiansen is a member of the American Academy of Ophthalmology, American Medical Association and the Association for Research in Vision and Ophthalmology.

### Interests

In his leisure time, Dr. Christiansen enjoys outdoor activities, including mountain biking, camping and sailing with his wife, Kathy, and their three children.
