

About Our Doctor

Dr. Melinda O'Rourke

Dr. O'Rourke has performed LASIK and PRK since its approval from the FDA in 1995. Dr. O'Rourke is an accomplished surgeon with extensive knowledge in the treatment of eye diseases, as well as routine eye care. She has been board certified by the American Board of Ophthalmology since 1991.

Education/Training

Dr. O'Rourke received her Bachelor of Science degree from the University of Colorado, Boulder. She then received her medical degree from the University of Colorado School of Medicine and continued post-graduate training by completing her internship and residency programs at the University of Colorado. Dr. O'Rourke has continued ophthalmic research at the university since her graduation.

Memberships/Affiliations

Dr. O'Rourke is a member of the American Academy of Ophthalmology, the Colorado Ophthalmologic Society, the Colorado Medical Society, and the Clear Creek Medical Society. She is also a member of several distinguished academic honorary societies including Phi Beta Kappa and Alpha Omega Alpha.

Honors/Accomplishments

Dr. O'Rourke's research has been published in Archives of Ophthalmology and in the Journal of Pediatric Ophthalmology and Strabismus. Dr. O'Rourke actively volunteers at the Stout Street Eye Clinic, assisting with the homeless in metro Denver; and with Vision Health International, providing eye care to those in need in Latin America.
